

③

1. we should use the same credit card no. for all calls.
2. We use 3 credit no's system 1,2,3.
3. We shouldn't relate outside of this circle.
4. ~~Machine~~ We are Mahamud commandos
We will kill all Gadhiani dogs and their families (Then hangup immediately) Stress that.
5. All the people who will make the telephone calls should practice speaking the lines with veracity.
6. After phone calls are made the ~~Phone~~ ^{credit} card no. ~~should~~ should be destroyed immediately, and no one should then for anything else. Please take precautions. (Stress this point)
7. ~~No~~ No one person should more than 10 NOs. Use more people if you have to. (Different phones)
8. No more than ~~10~~ rings per No.
9. All information should be prepared before hand.

11/17/17

(4)

10. You should not use a phone that you have used before. All numbers should be destroyed immediately after use, and you should never use that phone again, for anything, now or later.
11. You should use push button phones without operator assistance, if possible.
12. You should leave area ~~right~~ immediately after your calls are finished.

B. No more than ten calls per call.

You should explain how they should locate NO's.

They should make themselves available to be contacted.

They should inform you as soon as you they make their testing.

Secrecy is a must.

Anyone not obeying or executing these orders properly, and in time will be guilty of treason.

They should locate the phone before hand.

Consumer tip: some stores offer specials to attract customers. Check comparative prices. But remember driving extra distances doesn't always save money. Today very few people wander around looking for who has what they want to buy. They use the Mountain Bell Yellow Pages.
