Re: An inadvertent oversight

"As-Salamat-Alakum wa Rahmatullah:"

While double checking the grocery inventory for can vegetables I came across a box of salt. For whatever reason Allah allowed me to overlook the salt yesterday, I hope no one was inconvenienced.

Whatever we go through is over seen by Allah, in so many book and especially the Quran Allah tells us, He has power over all things. Allah makes the seeing unable to see and those who cant see to see, today I saw what I didn't see yesterday.

Truly Allah has power over all things. I seek His help, forgiveness and guidance in all my affairs.

Oh I shall short pray for you.
As-Salamat-Alakum wa Rahmatullahi
wa Barakatun wa Maghfiratun.
