

Judo Resume – Robert Britton

I have routinely trained at two main Judo clubs. I have trained at the United States Olympic Training Center since 1997. I have also trained at the Egyptian Olympic Training Center for thirteen years. I have attended many training camps throughout this time period. These camps were held in France, Japan, Korea, Tunisia, Morocco, and Italy. I have also attended the U.S. Open camp at the Olympic Training Center for the last three consecutive years. My Tournament record goes as follows:

- 1995- Jr. African Pan Ams – 2nd place
- 1995- Jr. World Championships – 9th place
- 1996- U.S. Open Championships- 5th place
- 1996- African Pan Ams – 1st place
- 1997- U.S. Open Championships- 7th place
- 1997- African Pan Ams – 1st place
- 2001- Swamp Classic- 1st place
- 2001- U.S. Senior National Championships- 7th place

I feel that getting a room at the Olympic Training Center would help me to further my Judo skills. I will work hard and push myself everyday in order to be able to get a medal for both myself and also for U.S. Judo. I also want to thank you very much for your time and consideration in this matter.
