OFFICER'S STATEMENT: As noted previously in this case report, during a Search Warrant execution of Suspect Mohamed Hassan's residence (located at [redacted] (cases #01-26763, 01-27338, 01-28149, and 01-28150), I (Detective R.G. Newbury Jr., 1338D) recovered a birth certificate belonging to a Willie Mares, DOB: [redacted] from the suspect's bedroom.

On 08/21/01, at approximately 8:49 p.m., I received a telephone call from Mr. Mares. I had previously called his residence and left an answering machine message regarding the birth certificate's recovery and confiscation as evidence.

Mr. Mares provided the following statement.

VICTIM'S STATEMENT:

Willie George Mares DOB: [redacted] White male
[redacted]
Colorado Springs, CO 80910 HP: [redacted]

Mr. Mares stated "a few weeks ago" he was walking in the downtown area, in the vicinity of Acacia Park. He stated that he was approached by a male party. He stated, "He called out to me using some name. I don't remember what it was. I guess I looked like his friend or something."

Mr. Mares continued to advise that once the male party contacted him, the subject realized that he had the wrong person. Mr. Mares stated, "I told him my name was William. He said something like, 'Well, anyway. Give me your birth certificate and social security card.' I told him, 'Get outta here.'"

Mr. Mares stated that he did not give the individual the requested documents and left on foot.

Mr. Mares stated that a short time later, he discovered that his wallet was missing. He stated that the wallet contained his driver's license, social security card, and birth certificate.

Mr. Mares described the male party as an "foreigner, late 20's, 5'9", husky build... maybe 215 pounds". When asked to explain what he meant by the phrase "foreigner", he stated, "He had an accent. He told me he was from Egypt."

Mr. Mares stated that this Egyptian male told him something to the affect that he was going to travel to "Arizona... Tempe or Tucson I think."

Mr. Mares stated that he had seen this male party before, but did not know his name or any other information (i.e., home address, where works, etc). Mr. Mares stated that he could identify the person again if seen in person or photograph however.

OTHER COMMENTS:

I will attempt to meet with Mr. face-to-face to have him review the State of Colorado Department of Revenue (DOR) driver's license dossiers retrieved in connection with this report to determine the identity of the individual who confronted him and is possibly related to the wallet theft.
